The Honorable W. Averell Harriman  
Under Secretary for Political Affairs  
Department of State  
Washington, D. C.

Dear Governor Harriman:

In the Director's absence I am responding to your letter of 9 December requesting the preparation of a paper on current economic weaknesses in the Soviet Bloc and Communist Asia. As you know, the Director is very much interested in this subject and, before leaving town, he initiated action along the lines suggested in your letter. Members of my staff have already discussed the general approach of the report with your people in INR and we will keep in close touch with them until the project is completed. We plan to have the paper ready for issuance shortly after the New Year.

Faithfully yours,

(Signed) Marshall S. Carter
